

Camp Sight Junior Participants and President/CEO Lori A Lesante

Camp Sight and Camp Sight Junior are summer day camps for blind and vision impaired children age 5-18. The Children's Programs provided by CSS include summer day camps, one for students aged 5-10 and one for students aged 11-18. These programs offer instruction in basic daily living skills such as cooking, cleaning, and other house hold tasks; personal hygiene; socialization and recreation; and training in communication and self-advocacy.

Transition Assistance Program which will expand our services to provide blind and visually impaired high school students with the skills and knowledge they need to successfully transition from high school to college, trade school, or employment. The goal of the program is to help students identify and gain more information on careers of interest, and the steps they need to take to make the successful transition to life beyond high school.

About Us

Community Services for Sight serves Luzerne, Carbon, and Schuylkill Counties in Northeastern Pennsylvania. CSS offers Social Services including: Adjustment to Vision Loss, Independent Living, In-Home Support, Social/Recreation Events, and Children's Programs.

Community Services for Sight
4 Brookhill Road
Sugarloaf, PA 18249
570-455-0421

The mission of the Community Services for Sight is to help blind and visually impaired individuals achieve the best possible quality of life by providing education, support, and instructional services and to prevent vision loss through education and early detection for people of all ages.

Vision loss often distances the vision impaired from others, from daily routines, from actively participating and communicating. We listen to the frustrations, fears, and feelings and work with costumers through support services and prevention of blindness programs. We also offer summer day camps for children, Transition Assistance Programs and programs for blind and vision impaired Veterans.

Those we serve are able to achieve success. Some clients receive ongoing services while others build on what they learned and use to continue on their paths. All clients reach levels of independence while having a lasting sense of community.

“ Without Community Services for Sight, I would not be able to get to my medical appointments or have my bills paid on time”- Mary

Community Services for Sight is a private nonprofit organization. Many of the services are FREE or at a very low cost. The organization relies on fund raisers and private donations to supplement the programs it offers to the community.

Please consider making a tax deductible donation today. Please remember Community Services for Sight in memorials or in your estate planning.
